Jones, L. M. & Mary Lemmons	February 12, 1952 Thursday, Albany Ledger	<p>married life, and almost all of this long period has been spent in Gentry County. That date was also the 77th Birthday Anniversary of Mrs. Jones as both she and her husband were almost children when they were married, Mr. Jones also being but 17 years old at the time of their marriage. He did not reach his 18 year until March 2nd following. They were married in Illionois, February 9, 1865. They lived there 4 years coming to Gentry County in the Spring of 1869. There was no way of sending money by check or draft then, so a strong belt was made and all of their money was placed in it, which Mrs. Jones fastened securely about her body, and brought it safely through. They brought with them something over \$2,000 in money, which was a considerable sum at that time. That spring they bought the Moulton farm of 105 acres, paying \$20 an acre for the land and the crop. They moved to the place in the early summer and for 54 years made that their home, leaving it a year and a half ago to come to Albany to live. They have been fortunate in their children, all 6 of them are now living and have homes of their own, and all are in good circumstances. The children are: Mrs. Lydia J. Gillespie, W. I.
